

Hello,

I am writing a short note concerning K-LOVE radio. K-LOVE radio has been a big part of my life over the last couple of years. It has also been a big part of many in our community. People across our community are blessed every day with encouraging words, programs and music that goes straight to the heart. Numerous people I have talked to have told me that the station has uplifted their spirits during hard times.

I believe that this community has greatly benefited from having this station on our airwaves. Children get to listen to fun and uplifting music that sends them a great message of hope and love. Adults benefit from the insightful programs and support they receive from those at K-LOVE.

Thank you for taking the time to read my comments on this matter. I love this station and all the good it does for our community.

Sincerely,  
Joe Addy
